## LIST OF HOLIDAYS FOR PUBLIC OFFICES 1929

*Peshawar, 13 November 1928*

No 12503-G.—It is hereby notified that the holidays to be observed in public offices in the North West Frontier Province during the year 1929, which are specified in the schedule hereto annexed, are public holidays within the meaning of section 25 of the Negotiable Instruments Act, 1881. These holidays should be given to all Government servants, subject to the single condition that it should be open to the head of an office to stop a holiday notified under the Act in the case of any individual guilty of idleness or inattention to duty, unless the day in question is deemed specially sacred by the members of the religion which the offender professes.

2. In addition to the holidays specified in the schedule all Government offices will be closed on 28 and 30 December 1929, on Thursday, 17 January 1929, for Guru Gobind Singh's birthday, and on Saturday, 16 November 1929, for Guru Nanak's birthday.

3. Local holidays for great festivals or fairs peculiar to particular places may be granted at the discretion of heads of offices, provided always that there are no arrears of work. The maximum number of such holidays that may be given by district officers is seven. This number should not be exceeded, and district officers should themselves fix each year the local holidays to be observed in their districts up to or within the prescribed maximum of seven, without previous reference to the Revenue Commissioner, to whom, however, a copy of the list of holidays fixed should be sent for information. Heads of offices may also, subject to the condition that there are no arrears of work, permit the last Saturday of every month to be observed as a holiday in the English and Vernacular offices. It should not however ordinarily be granted in the cold weather. In such cases all establishments should be allowed, subject to the condition laid down in the case of public holidays under the Negotiable Instruments Act, to take full advantage of the holiday.

4. This notification does not apply to holidays to be observed in Civil Courts

(For schedule see next page.)

1. The entries in the above table apply exclusively to the persons entered therein, and while regulating their relative precedence with each other, do not give them any precedence over members of the non-official community resident in India, who shall take their place according to usage.

2. Officers in the above table will take precedence in order of the numbers of the entries. Those included in one number will take precedence *inter se* according to the date of entry into that number.

3. When an officer holds more than one position in the table, he will be entitled to the highest position accorded to him.

4. Officers who are temporarily officiating in any number in the table will rank in that number below permanent incumbents.

5. All officers not mentioned in the above table, whose rank is regulated by comparison with rank in the army to have the same rank with reference to civil servants as is enjoyed by military officers of equal grades.

6. All other persons who may not be mentioned in this table to take rank according to general usage, which is to be explained and determined by the Governor-General in Council in case any question shall arise. When the position of any such person is so determined and notified, it shall be entered in the table in italics, provided he holds an appointment in India.

7. Nothing in the foregoing rules to disturb the existing practice relating to precedence at the court of Indian States or on occasions of intercourse with Indians, and the Governor-General in Council to be empowered to make rules for such occasions in case any dispute shall arise.

8. The following will take courtesy rank as shown :—
